It is my understanding that the attached statement of policy and procedures is satisfactory to the Air Force as well as to the Army and Navy and the offices of this Agency. Dick Wright: I consider this extremely valuable.  
It is a pity it is limited to those with T clear-  
ances, for it goes a long way to clear up many  
fuzzy concepts I have previously had about the  
responsibilities, etc. of each of the named com-  
ponents. I think we should save this as a  
vital office index. What say you? *yes -*
